- Behind every username & avatar is a person with feelings
- Everything you do online has your name attached to it invisibly
- Keep personal information like addresses, phone numbers, and passwords to yourself
- NEVER agree to meet anyone you don't know and only met online
- People are not always who they say they are
- Students should always keep parents and school personnel aware of their online activity
- Be polite, use suitable language
- E-mail is not always private
- Use caution when uploading and downloading
- Just because it is online doesn't mean it is true
- Beware of scams
- The first search results aren't always the best
